- Most members renew on-line because it is easy
- Email communication is the preferred method to contact members

# TYPES OF MEMBERSHIPS

- Paid up for Life (PUFL)
- Honorary Life

# 5 Key Membership Processing Terms to Understand

- Eligibility
- Direct Membership Solicitation (DMS)
- Renewal
- Cards
- Rosters

# Eligibility-Who is Eligible

- The LEGION Act - Let Everyone Get Involved in Opportunities for National Service Act – also redefines The American Legion's membership eligibility dates. The eligibility now spans from Dec. 7, 1941, until a time when the U.S. is no longer at war, as determined by Congress.
- Currently serving or have been honorably discharged

# Eligibility-Continued

- There shall be no form or class of membership except an active membership card.
- Dues shall be paid annually or for life.
- No Legion member may be a member at any one time of more than one post.

# Eligibility of National Guard & Reserve Components

- Must have served at least one day of federal active duty
- Meet same guidelines as active duty Veterans
- When determining if qualify, look on authority line of orders
- It must say Title 10, subsection 672 or 12301- which are official orders from the Sec. of Defense

# Direct Membership Solicitation (DMS or 1000's)

- In the Dept. of California these are referred to as Post 1000
- Signed up through National Headquarters and then placed into Dept. Headquarters Post 1000
- Excellent way to increase post membership
- List can be found on the mylegion portal
- Currently there are 185 members in District 13 boundaries

# Direct Membership-Continued

- For the DMS program to be truly effective, it is imperative these new members are personally contacted and invited to transfer into your post.
- Ultimately, it is the responsibility of every post receiving a transfer to verify the members eligibility by using a DD214 or other official proof of honorable military service.

# Member Data Form (MDF)

- Deceased Member
- Address Change
- Telephone Number
- Email Address
- Branch of Service
- Continuous Years
- 1st War Era Served
- Date of Birth
- Name Correction
- Honorary Life Member
- Post Transfer

# Member Data Form (MDF)-Continued

- Must use the mylegion portal, email or mail to Department
- Current paid year transfers still must email or mail to Department

# Chairman of Post Membership Committee (3 R's)

- Renew
- Retain
- Recruit

# RENEW

- “Open Your Mail”
- Encourage your members to use myLegion
- Get dues (membership) cards to your members immediately once they’ve paid, include anniversary star patches for caps
- Thank them for renewing [\(example\)](#)
- Have membership renewal incentives

# Retention Plan: Foster Loyalty and Increase Engagement

- Retention is just as important as recruiting – if not more so!
- Having a plan to keep your Legionnaires engaged and active is the best way to keep them retained
- This starts when they first sign up. It takes a little more effort, but it effectively increases your recruiting numbers because you're not losing members through attrition

# Retention- Emphasize Programs, not your Bar

- The American Legion has enough programs to ensure that there is basically something for everyone.
- However, if your post isn't providing and promoting programs, you're missing out on great opportunities. A list of programs can be found [here](#):

# Retention-How to Calculate Post Retention Rate

- Choose time period (30 June 2024 to 29 June 2025)
  - Count number of members on 30 June 2024
  - Count the number of retained members (those who were part of the starting # on 30 June 2024 and are still members as of 29 June 2025\*)
  - Count the number of new members (Post 1000, inter-post transfers, newly joined Legion members)
  - Subtract number of new members from the number of retained members
  - Divide that result by the total number of members at the beginning of the period (30 June 2024)
  - Multiply that number by 100 to express the result as a percentage
- \* Deceased members remain on your rolls until the end of the year, you can keep them to calculate your retention # or delete them to get a more accurate retention #

# Retention-How to Calculate Post Retention Rate (Continued)

- Post 642
- Total members 30 June 2024:66
- Total members retained as of 29 June 2025\*: 62
- Total number of new members as of 29 June 2025: 4
- # Retained (62) - # New (4) =58
- $58/66 = \mathbf{87.8\%}$ ,
- If deceased (4 members) are removed then  $54/66 = \mathbf{81.8\%}$
- What does that mean?
- 58 Members X 87.8% = 51 Members at the end of this year unless we recruit new members, repeat for 2027 and we'll be down to 45 members.
- \* Post had 4 members pass away during the year

# RECRUITING

- Always be ready with a 2-3 minute 'elevator pitch' on the importance and benefits of Legion membership
- Keep a few membership applications handy.
- Build and maintain a relationship with military installations:
  - CA Air National Guard
  - CA Army National Guard
  - US Army Reserves
  - College ROTC (Army/Air Force) Departments

# RECRUITING-CONTINUED

- Build and maintain a relationship with the person in charge of veteran admissions and/or veteran student organizations that may be on college campuses.
  - Student Veteran Centers
  - Student Veterans of America (SVA) Chapter
  - Iraq and Afghanistan Veterans of America (IAVA) Chapter
- Network with first responders, civic and community organizations, as well as other veteran service organizations to expand your pool of potential members

# RECRUITING-CONTINUED

- Send a localized version of the post's CPR or Post Impact Report to the media outlets in your area.
- Make sure your post is actively participating in at least one program, and that it is done well.
- Make sure your post is an asset to the community; inform them of your post's programs, participation in parades, service activities, etc.

# MY LEGION PORTAL

- Processing membership
- Member Data Changes
- Revitalization
- Reports

We will cover this later in the course!

# BUDDY CHECKS

- The idea is to reconnect with veterans who may need assistance but don't know where to go or who to ask. These contacts may be made by a personal visit, phone or email, or a combination. The important part is to reach out to veterans in your community to let them know you care and can provide whatever assistance they may need. It's what we do for our battle buddies.
- Buddy Checks will also assist in **Renewing, Retaining and Recruiting!**

# AWARDS

- 50, 60, or 70 Year Certificates
  - National HQ will send certificates to posts in February
  - Certificates usually mailed to Post PO Box or adjutant
  - To be presented at Post Meeting

    - Upon completing the required transmittal you should fill out the hard copy fill and sign off and send the card to the member or hand it out during a meeting.
    - This is a good time to see if there is any info missing and either you or adjutant can update their records (each Post is different)
