Labor Day weekend. it's time to enjoy family and friend. I hope everyone had a safe Labor Day weekend. As a reminder, our next meeting is September 26, 2025. Starting time 6 PM to 7 PM dinner. Meeting starts at seven. We would also like to know how many members are receiving our newsletters through email. Please respond to this email so we will have a list. We also will be working with the community to get volunteers to help clean up the outside of Post with weeding and lawn cutting. Anyone that can come out to help would be very appreciated. Please let us know so we can post a date and time.

We would like to ask that all our members spread the word that our Post is looking for anyone needing rental space for meetings or personal gatherings.

Reminder to the Officers. We will be meeting as usual at 5 PM prior to our monthly meeting.

Antonio Guida,
Post Commander

From the Office of the 1st Vice

Good afternoon, Legionnaires

thank you for continued support to Mission City Post 564. I really appreciate the support you give, not only to me as the 1st Vice but more importantly to the Post Commander Tony Guida, Adjutant John Carlson and to 2nd Vice Jimshed. Our Post Cdr Tony is tracking an upcoming Gun Show at the local post and he will provide more details once the customer reaches out to him. There is also a request to rent the hall for a planned wedding. These events are very important, and it allows us to bring back revenue into the post. I just completed with John on Saturday 9/6 our members Â'\$55 fee, and those members should be receiving membership cards in the mail. I really appreciate everything you have done and everything you as veterans and Legionnaires continue to do.

I sent out an e-mail that outlined an upcoming bill that is still being worked through the House and Senate. It's H.R. 4996 Â“The Forward Act Â”, as I understand it. Things are subject to change but as it stands this will allow a retired veteran with 20 years of service or a veteran who is 100% Service Connected to contribute to the Thrift Savings Plan (TSP). Those of us who were on Active-Duty service could contribute but once retired we were no longer allowed to. That is changing, please keep track of this at congress.gov and stay tuned in to any updated information. Again thank you for this time and I look forward to seeing y'all on our monthly post meetings and please recruit and stay members of our Post # 564 "Be all you can be!" and **"Be the One!"** r/ Julius 1st Vice

Hello Fellow Legionaries,

Holiday Folks, Welcome to September with the beautiful Fall Season ahead, we at the American Legion Post 564 are ready. I hope that the year is not going by too quickly, that we can enjoy ourselves within our Post activities.

Much ahead in the next few months of this year 2025. Please do stay attuned to what will be happening at Post 564, and participate with us in our community and Organization. The American Legion Riders are preparing for some events as well, so there are roads to explore. Post 564 will be coming into the Holiday season so start to make some plans now with us. This should be another great month in September and looking forward to meeting everyone in person. As always Community, State, and Nation is what we are all united around in Santa Clara, Post 564. Remember that the monthly meeting is the fourth Friday of the month, so the meeting and dinner will be here on 26 September for us again. Have a great month ahead.

Respectfully,

Jimshed A./2nd Vice Commander Post 564/American Legion Riders D13

Hello Auxiliary,

Wishing everyone a nice Labor Day weekend. We would like to thank the Auxiliary members who attended the membership meeting. We still need to accomplish more work regarding voting for officers, specifically Secretary and Treasurer. We want to thank Patricia McLeod for assuming the Chaplain position. By working together, we can accomplish a great deal, as we have a significant amount of work to be done. We also extend congratulations to our Department of California for a job well done at the National Convention.
