JAN 2026

Dear Legion Family,

As we close out 2025, I reflect on a year filled with both challenges and joys. December was a wonderful month for our Legion Family, as we came together for events that truly reflect the values and sense of community at our Post. It was great to see so many familiar faces at our First Sunday Breakfast, where we celebrated your renewed commitment to the Legion Family and shared the holiday spirit. A special thank you to those who stayed to participate in our Pearl Harbor Remembrance and the solemn Three Bells Ceremony.

I would also like to recognize the efforts of Santa Clara PAL for partnering with Post 419 to host a breakfast during their Shop with a PAL event, spreading holiday cheer to youth in our community. Thank you to Brenda and all our volunteers who supported this meaningful initiative.

This year's Army vs. Navy game was an exciting competition- thank you to everyone who joined me in the club room to watch this close matchup. Final score: Navy 17 - Army 16! With the 49ers gearing up for a deep playoff run, we look forward to hosting more thrilling watch parties in the weeks ahead.

Our holiday spirit shone brightly during the Jingle & Mingle cookie exchange and Post Holiday Party. The Legion Family's efforts to raise funds for Trees for Troops and donate to Toys for Tots reflect the American Legion's pillars of Americanism and Children & Youth, helping keep Santa Clara a vibrant and welcoming community.

Please join us on January 10th as we celebrate and thank Ralph and Sandy Jacob and their family for their lifetime contributions to Post 419.

As we move into 2026, I am hopeful for the opportunities this new year will bring- opportunities to give back to our veterans, strengthen the American Legion Family, support our community, and honor our great nation

Yours in Service,

Well, here we are, 2025 is ending and 2026 is literally around the corner.

Thank you all who participated in the annual "Toys for Tots" toy drive. We proudly dropped off our Post's donations at Marine Corp Reserve center.

We have had a good year with our events, so thank you all who have helped in so many ways. Without you, we wouldn't have succeeded with our fundraising efforts.

So, Boys/Girls State will be starting in January, Hopefully the packets for the students will arrive in 2 weeks. Students have been reaching out, so we shall see what happens.

I have been notified that the Detachment Executive Committee (DEC), will be this coming March up in Vacaville. More information to follow.

Membership is still coming in slowly and we have gotten applications for new members as well. So, if you see any of our members who haven't paid up, please ask them to send in their dues. Membership is an all hands drive.

Our meetings are still on the **1st Thursday of the month at 3pm**, if anyone is interested in finding out what we are doing, please come and join us. We don't bite. Our meetings don't go over an hour.

Second Vice Commander Report

Dear Kathleen, Why are there so many fundraising events??

Dear Legion Member, It takes a lot of steady income to keep the doors open at a beautiful Post like 419. That is why we offer a variety of events to stimulate growth and income.

Our greatest income is from our rentals, like the weekly Rotary Luncheons, Coin Show, Gun Show, and others. Think Annual Auto Show and the Veteran Craft Faire. The second largest income comes from eating events. First Sunday Breakfast, Dinner/Dances and Honor Flight luncheons. We want our regular members and their families to come and enjoy a variety of activities. We want to invite the community around us as well. You can help, dear Legion member, by attending events and inviting your family, friends and neighbors to come as well. Thank you.

Dry January -31 Days Without Alcohol

Your Post is ready to support your Dry January! Our bars have many alcohol free drinks for you to enjoy. We always stock alcohol free beer. Now we also serve Dry Wine and Dry Champagne. And, try our new Mocktails.

**HAPPY NEW YEAR AND

AMERICAN LEGION CHAPLAIN

A few weeks ago, I said "It's That Time". It seemed to me that it was "MY Time" to take a break to look into myself, take care of my wife and family, and get rebalanced. Plus, I was unsure of the path that my God wanted me to follow. I had questions about my faith and as many of us need to be reminded, while our faith in Him may weaken at times, His faith in US, never weakens. His path for us is straighter and truer than we usually understand. While I was feeling the uncertainty and pain so many of us share in the direction of the American Legion in Washington and elsewhere, I also was reminded of why we all are here: "For God and Country". While I may have had doubts in my part in that, I was also reminded in Isaiah 6:8 "Also I heard the voice of the Lord, saying: 'Whom shall I send, and who will go for Us?' Then I said, 'Here am I! Send me.' " That is the same voice that I have heard many times for so many years. Then there is the mission of generations of all Chaplains who went before. "Your mission is twofold: help Legionnaires and others grow in their relationships with God and one another, and minister to people wherever there is a need." Relationships and Needs are most certainly still requiring Gods help. And just as with the oath we all took upon joining the Military, there is no official or unofficial expiration date. My care of and for my Lord God, America and the American Legion will go with me to my Post Everlasting and beyond. Therefore, with that, hearing of and knowing there are uncertainties and questions of where we are going, how will we get there, who will help us, and when we all are in unison, will be on that path that God is leading us on for the future success of our American Legion, I offer the following remarks of one our country's Founding Fathers, Benjamin Franklin. Please read and seriously consider his words and as they remain as true today as they were in 1787, in consideration of our WA Department Constitution and BiLaws, and beyond.

Psalms 127:1 "Unless the Lord builds the house, they labor in vain who build it; unless the Lord guards the city, the watchman stays awake in vain. In the summer of 1787, as America's Founders met at Independence Hall in Philadelphia to hammer out the specifics of our nation's governing constitution, tempers flared among the delegates of the 13 colonies to such an extent that the entire convention was in danger of breaking down. Into this atmosphere thick with division and conflict, an 81-year-old statesman slowly rose to speak words of profound wisdom. Although one of the least religious of our nations Founders, Dr. Benjamin Franklin nonetheless understood how critical moral and biblical virtues would be to this newborn republic. Appealing to the words of Psalm 127:1, Franklin addresses George Washington, president of the convention, and counseled his fellow delegates to beseech the aid of Almighty God before they proceeded further:

'I have lived, sir, a long time, and the longer I live, the more convincing proofs I see of this truth, that God governs in the affairs of men. And if a sparrow cannot fall to the ground without His notice, is it probable that an empire can rise without His aid? We have been assured, sir, in the Sacred Writings, that 'except the Lord builds the house, they labor in vain that build it.' I firmly believe this; and I also believe that without His concurring aid we shall succeed in this political building no better than the builders of Babel: We shall be divided by our partial local interests; our projects will be confounded, and we ourselves shall become a reproach and byword down to future ages. And what is worse, mankind may hereafter from this unfortunate instance, despair of establishing governments by human wisdom and leave it to chance, War and conquest.

I therefore beg leave to move that henceforth prayers imploring the assistance of Heaven, and its blessings on our deliberations, be held in this assembly every morning before we proceed to business, and that one of more of the clergy of this city be requested to officiate in that service.'

God, indeed, answered the prayers of the Founding Fathers, as on September 17, 1787, the drafting of the U. S. Constitution was completed, the greatest political document ever written. Franklin's words remain forever true: as our nation face today's political, moral, and spiritual issues, we shall fail in this "grand experiment" of liberty unless we seek the "assistance of Heaven."

SCOUTING

January is an exciting month for Pack 32 as Scouts celebrate the success of our annual popcorn fundraiser. For decades, popcorn sales have helped Cub Scout packs across the country fund campouts, advancement supplies, and community service projects. Pack 32 keeps the tradition fun—our top popcorn sellers earn the right to throw whipped cream pies in the faces of brave adult leaders, a highlight our Scouts talk about all year!

At the same time, families are busy in garages and at kitchen tables designing and sanding Pinewood Derby cars. The Pinewood Derby, first introduced in the early 1950s, has become one of Cub Scouting's most beloved traditions—bringing together craftsmanship, sportsmanship, and a little friendly competition. Scouts are working to have their cars ready for Pack 32's official weigh-ins during the second and third weeks of January.

On January 17, Pack 32 will proudly host our Pinewood Derby at American Legion Post 419. Winners from our Pack races will go on to represent Pack 32 at the Silicon Valley Monterey Bay Council Pinewood Derby later in January. We are grateful to American Legion Post 419 and our veterans for providing a home for these traditions and for supporting the next generation of youth in their Scouting journey.

Join us and cheer on the Cub Scouts as they race their cars! The Pinewood Derby is on Saturday January 17, from 9AM -2 PM at American Legion Post 419, Main Hall.

We look forward to continuing our program to fulfill our mission as indicated by the below travel schedule.

US Naval Sea Cadets—Enterprise Division & Training Ship Ellexson

Readiness & Community Service Saturday—Cadets began the morning with colors, reciting core values, and completing the Physical Readiness Test. After changing into Type III uniforms for inspection, they spent the bulk of the day supporting Toys for Tots, sorting and preparing donations for families in need.

A key addition this month was a leadership debrief for petty officers, who reviewed the Toys for Tots evolution, discussed strengths and challenges, and proposed improvements. This created an intentional leadership development opportunity for our senior cadets.

Sunday —focused on training, including Color Guard, marching drill, shoe shining, and uniform care. Cadets also reviewed advancement requirements before concluding with promotions and ribbon presentations—a proud moment recognizing effort and growth.

Bravo Zulu, Cadets!

*The 2026 American Legion Membership Drive is in full swing. The easiest method to renew is to renew online at mylegion.org. This immediately registers your payment and reports your renewal to your Membership Committee. This saves you postage and us time. In addition by renewing on line it is easy to update your personal information (address, phone, email). Should you forget or lose your card you can access a copy on line at the same site, saving you time. Should you renew at our Post, please pay by check! It is more secure than loose cash and gives your Membership Committee a second check on the spelling of your name. Remember the "coveted 'Early Bird' stamp will be stamped on your 2026 Membership Card to those members renewing prior to Veterans Day. Please note: Anyone applying for new membership, or that is transferring from the California at large Post 1000, you must submit a copy of your DD-214. Active Duty applicants need to provide a proof of Active Duty. Feel free to black out or redact your Social Security number, we also will return it once your membership is approved. We cannot process or approve either without your DD-214, current military ID or Leave and Earnings Statement. Please remember to write your membership number on your check, or if renewing at the Post write it on the membership renewal and/or application (print CLEARLY), you can always just print a copy of your card and include it. This is not necessary if you use the form sent to you in the mail as your card number is already printed on it. As always should you have any questions or concerns feel free to contact me:
