AMERICAN LEGION POST 419

Veterans Helping Veterans & Serving the Community Since 1932

Issue 1-99

958 Homestead Road, Santa Clara CA 95050

DEC 2025

From the Commander

Dear Legion Family,

This holiday season, let's remember the greatest gift we can give-hope. Through the American Legion's Be The One campaign, we stand united to prevent veteran suicide and remind every hero they are never alone. Reach out, listen, and be the one who makes a difference.

I also want to extend my heartfelt gratitude to the entire American Legion Family for your unwavering support of our events and mission throughout the year. Your dedication makes a lasting impact.

There are many hands that contribute daily to keep our post open and active. November was a very active month for our Post. We hosted two dinner/dances, craft faire, a blood drive, 1st Sunday Breakfast, Vet to Vet Cafes, seven veterans group focused meetings, marched as a Legion Family in the Veterans Day Parade, and participated in the City of Santa Clara's Veterans Day Memorial Ceremony. Thank you to everyone who participated helping to keep our post and communicate a warm and welcoming place.

Wishing you peace, strength, and connection this holiday season

AMERICAN LEGION SONS

So, membership is our main goal for the year, as our 2026 cards are available. We are asking all members who haven't submitted their dues to please do so. Adults is \$25.00. Juniors/Minors, it's only \$15.00.

Our annual Thanks for Giving was well attended. Active duty and their spouses from Moffett MEPS and 129th ANG Rescue Wing as well as Navy enjoyed a delicious meal. Everyone had a great time. Thank you all who made this a successful event.

Toys for Tots is still going on and we should be taking all of the toys the week before Christmas. This year has been really rough on families. Please consider bringing 2 new, unwrapped gifts to put in the bins. Dollar Tree, and Amazon will have some economical gifts.

Legion Family Christmas party is scheduled for the 13th. Contact Frances Borg, 408-243-5832, for tickets

Upcoming program will be Boys and Girls state. Hopefully we will get some extra packs, for the students. Already have students reaching out. Follow this link to find out more about the program. <https://www.legion.org/get-involved/youth-programs/boys-state-boys-nation/boys-state-eligibility-dates>

On behalf of Commander and all of the officers, we would like to wish everyone a **Merry Christmas and a Happy New Year.** .

Our meetings are still held on the 1st Thursday of the month at 3 pm. If anyone is interested in finding out what we are doing, please come and join us. We would love for you to join us!

AMERICAN LEGION CHAPLAIN

The Christmas Truce of 1914

Christmas Eve 1914, the Great War was in full and terrible swing with many thousands of lives lost. Trenches were gouged into the land for hundreds of miles to form the Western Front. We can't possibly understand the misery of those cold, wet, wretched men as they contemplated that first Christmas at war. But on Christmas Eve something unexpected happened all along the line of the Western Front. After mercilessly slaughtering each other just hours earlier, men laid down their arms and embraced Christmas together.

In one of the most poignant and unusual military events in history, soldiers dropped their weapons, climbed out of their trenches and crossed the shell-blasted no-man's land. Throughout the next day up and down the line these sworn enemies shook hands, sung carols and exchanged gifts. A small number of football matches were played up and down the length of the 500-mile front line, the most famous of which occurred in Belgium, around eight miles south of Ypres. Here, in the fields of the village of Ploegsteert, the British Tommies called it "Plugstreet", men from both sides played a game of football. Sir Arthur Conan Doyle (author of Sherlock Holmes) called this short break in fighting "one human episode amid the atrocities which have stained the memory of war".

AMERICAN LEGION SERVICE OFFICER

Post Service Officer (PSO)

A post service officer (PSO) is an important volunteer position that is often the first Legionnaire post members or dependents turn to for help with veteran benefit issues. The PSO's primary duty is to serve as a link between the veteran or dependent and an accredited veteran service officers in the Department of California. [Post Service Officer \(PSO\)](#)

Accredited American Legion Service Officers are specially trained to provide expert assistance, free of charge, to veterans and their families. While the majority of a service officer's work involves an application for VA disability benefits, these compassionate professionals also provide information, referrals, and resources on education, employment and business, death benefits, and other important topics.

SCOUTING

From Parade to Service: Pack 32's Journey This Fall

Pack 32 Scouts and families are settling into living the Scout Oath and Law in meaningful ways this fall. For many, the Veterans Day Parade was their first time marching. Our Scouts proudly escorted the American flag and den flag, carried the Pack 32 banner, and were honored to meet local veterans. We are grateful for American Legion Post 419's warm hospitality with flags, snacks, and lunch.

Our Arrow of Light Scouts attended WeSTFair, where Silicon Valley Monterey Bay Council troops showcased their programs. AOL's are now visiting local troops to find a "troop home" as they prepare to bridge in March. On November 15, 2025, Pack 32 joined the council-wide Scouting for Food drive, collecting 310 pounds of food and contributing to more an 5,000 pounds of aid—one of the many service projects Scouting America has conducted since 1910.

As the year ends, our Scouts are completing their "Duty to God" adventure at home and celebrating with a holiday campfire, an urban lights hike, and Pinewood Derby car building. Pack 32 is thankful for the continued support and example of our veterans.

Cub Pack 32 had a wonderful turn out to march in the Veterans Day Parade with their charter, American Legion Post 419. Thank you to all the parents that came and supported the group.

HONOR FLIGHT BAY AREA

We saw our final flight for the year from October 9th to 11th (Flight #40). We had the privilege of transporting 25 Veterans accompanied by their dedicated Guardians to our nation's capital on this flight. This was our fourth flight of 2025 taking a total of one hundred Veterans on their "Trip of a Lifetime" this year. Witnessing the changing of the guard at Arlington National Cemetery is one of the Veteran's favorite venues. Our four oldest Veterans had the privilege of laying a wreath at the Tomb of the Unknown Soldier on behalf of their fellow Veterans and Honor Flight.

US Naval Sea Cadets.

Our Enterprise Division and Training Ship Ellexson cadets had an incredible time marching in this year's Veterans Day Parade. The weather couldn't have been better—clear skies, cool air, and the perfect backdrop for honoring the men and women who have served our nation.

We were proud to march alongside our sponsor, the American Legion, whose continued support makes opportunities like this possible for our cadets. Their partnership continues to inspire our youth and strengthen our connection to the veteran community.

This year, our cadets were also honored to present the Color Guard for the parade—an opportunity they carried out with exceptional professionalism and pride. Their bearing and precision reflected the respect we hold for those who have served.

Our cadets marched with discipline, teamwork, and gratitude—representing both the Sea Cadet Corps and the legacy of our veterans with honor. It was a meaningful day filled with smiles, camaraderie, and respect.

Bravo Zulu to all who participated, and thank you to our veterans for your service.
